DEDICATION

To two people who have given long service and whose official titles—Assistant to the Principal in Charge of Instruction, and Assistant to the Principal in Charge of Attendance and Guidance—exemplify their extensive and important duties, we inscribe this annual.

Mrs. Helen Hoeksema, with her many faculty duties, is advisor to the Girls' Association, Courtesy Board and Women's Board of Control, and has charge of visual aid materials and the orientation of teachers new to the school. Mrs. Hoeksema has had a great deal of training and experience along these lines as she graduated from Parsons College in Iowa and attended Mills College in California. She taught the sciences until, in 1950, she was appointed Assistant to the Principal. Mrs. Hoeksema's friendly and radiant personality is evident at all times and she is always willing to give a helping hand whenever she is able.

Mr. Earl Shriber, another of the school's busiest persons, works very closely with the counselors and serves as the head counselor. He received his college education, and graduated, from the University of California and then taught science here for a number of years before his appointment. Besides executing his duties as an Assistant to the Principal, keeping statistical reports on the attendance of the entire student body, Mr. Shriber is in charge of the box office and the auditorium staff. This sympathetic and understanding person will be remembered by every graduate.

To these two—so dedicated to our interests—we dedicate this Acorn for 1954.

MRS. HELEN HOEKSEMA

MR. EARL W. SHRIBER

FOREWORD . . .

"Tall Oaks from Little Acorns Grow"

We at A.H.S. have proved this quotation for "as the twig is bent, so the tree will grow." Some of our country's greatest leaders came here as "little Acorns" and have been bent in the direction of education, leadership, and moral character, so that now they are tall and stately Oaks rising above the forest that is our nation.

These tall Oaks have gone into many and diversified fields: Sen. Wm. F. Knowland, politics; once yell leader of A.S.A.H.S., Carl Ravazza, music; Dick Bartel and Otto Rittler and Johnny Vergez, sports. These and many more former students have become the "tall Oaks" we know in the present time.

The "little Acorns" of today, students now in high school and later in life, have more and better opportunities, in our existing 1954 school system, to grow to even greater heights than those who have preceded us so that when we have reached our full maturity we will spread our limbs over the entire world in the hope that others will have the same opportunities that we have had. With this thought in mind, we, the staff of the 1954 Acorn, have chosen this theme as a fitting expression of our hopes, dreams, and desires for the future.

ADMINISTRATION

The Boston Classical School has generally been considered the first public high school in the United States. Since its establishment in 1821, the purposes of secondary education have undergone consistent re-evaluation in light of the changes in our culture.

Today, in order to meet the requirements of a complex civilization, some of the more important objectives of the American high school are conceded generally to be as follows:

1. "To develop saleable skills; 2) to develop and maintain good health and physical fitness; 3) to understand the rights and duties of the citizens in a democratic society; 4) to understand the significance of the family for the individual and society; 5) to develop moral and spiritual values; 6) to purchase and use goods and services intelligently; 7) to understand the influence of science on human life; 8) to appreciate literature, art, music, and nature; 9) to use one's leisure time wisely; 10) to develop a respect for other persons, and 11) to grow in one's ability to think rationally."

The program of studies and activities at Alameda High School is based upon these objectives. The Board of Education and the personnel of your schools are dedicated to their accomplishment.

Donald M. Rodenck

BOARD OF EDUCATION

(Left to right): Mr. Walter V. Howe, Mrs. Marian Cavanaugh, Dr. Donald D. Lum, President;
Mr. A. Hubbard Moffitt, Dr. Stuart Stephens.

OUR SUPERINTENDENT AND SCHOOL BOARD

Today, as perhaps never before in the history of our country, there is a demand for young people of character and ability. Business, industry, and government are all seeking capable, honest, dependable workers. Every day we receive requests from employing firms for information about our former students. We are happy, indeed, when we can give the person under consideration a fine recommendation.

In making our recommendations, we have to refer to your high school record. What kind of record are you making? Grades are important, but the attitudes and qualities that you are developing along other lines are also important. Such attitudes as thoroughness, the habit of checking one's own work, initiative, ability to take criticism, ability to work closely with a group without jealousy, a definite attitude of public service, tact and courtesy are all items that are considered highly significant. Your attendance record is checked carefully. Employers want people who will be on the job and who will be on time.

In a recent interview, the president of one of our largest industrial firms, in answer to the question, "What does industry look for in hiring young people?", replied: "It looks for intelligence, ambition, initiative, enthusiasm and a desire to improve things. Naturally, it looks for a good basic education with, if possible, some specialized training. Industry wants men who will bring zest and determination to their jobs, who will know how to work with people and who will find ways to get things done, no matter what the problems may be."

MAKE YOUR HIGH SCHOOL RECORD COUNT.

I wish to express my appreciation to Mrs. Cossette and Mr. Hallock, faculty advisers, to Dick Lear, editor, Joan Dart, business manager, and to the Acorn Staff for a year of work and service to Alameda High School.

A.S.A.H.S. OFFICERS . . . FALL 1954

President
PHIL COKE

Vice-President
SHIRLEY DE HAVEN

During the fall term of 1953 our student body was under the capable leadership of President Phil Coke. He secured very enjoyable entertainment for our student body meetings, and, in addition, gave splendid service pertaining to his office.

Vice-President Shirley De Haven did an excellent job not only in heading the Service Panel but also in fulfilling the rest of her duties. Jim Kirk, Recording Secretary, kept 100 per cent minutes while Financial Secretary Pete Palmer secured student body dues in a record time of two weeks and three days.

Yell Leader Chuck Smith's never-ending spirit kept the students more than enthusiastic throughout football season and the first half of basketball season.

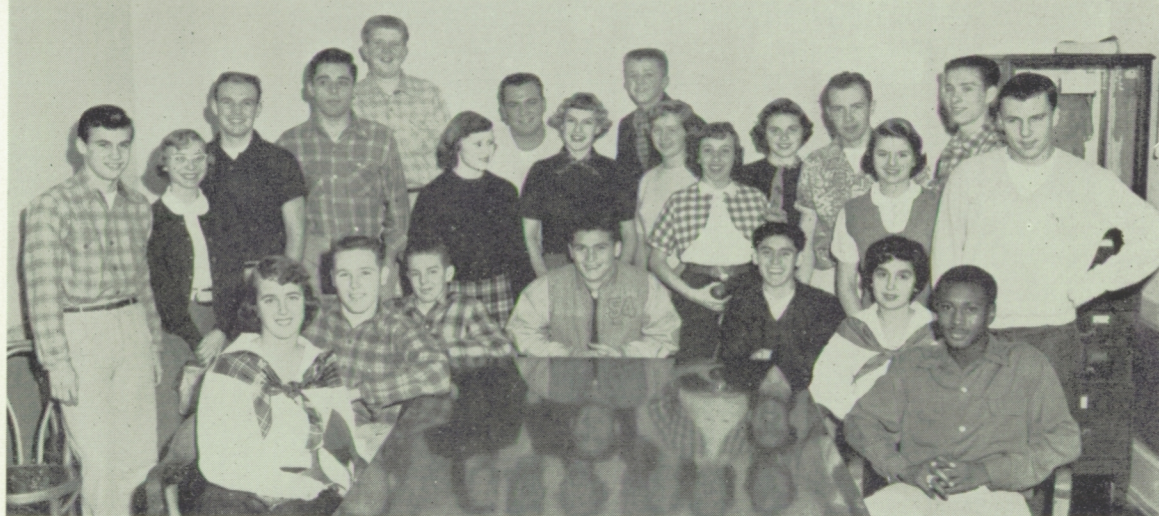

Altogether the students of Alameda High were proud to have these fine officers representing our student body.

JIM KIRK
Recording Secretary

PETE PALMER
Financial Secretary

Yell Leader

STUDENT FACULTY COMMITTEE

Row I—M. Staude, S. De Haven, S. Jacobs, Miss Los Kamp, Mr. Moore, J. Kirk, P. Palmer, P. Coke.
Row II—B. Marks, R. Brown, B. Bridge, Mr. Bell, L. Froerer, N. Powers, R. Cobb, C. Smith.

ADMINISTRATIVE BOARD

Seated—M. Staude, D. Losee, J. Burrese, R. Aguirre, L. Velasquez, B. Barbis, O. Pierre.
Standing—J. Cheadle, S. De Haven, P. Coke, I. Nikolai, D. Robertson, J. Starr, R. Freschi, J. Soderland, D. Sagen, M. Bartell, D. Dowsett, E. Rodgers, J. Kirk, S. Decker, B. Estes, P. Palmer.

The Student Faculty Committee is a group of twelve students and six faculty members. They meet during the noon hour to discuss our student meeting entertainment, which they help to obtain; then, they report the students' reactions to the meetings. In this manner the students get the best entertainment.

The twenty-two members of Alameda High's Administrative Board selected Rich Aguirre as speaker of the board for the fall term. They decided the amount of money to be allotted to each school activity from the student body funds.

The Ad Board sponsored the Opening Dance, "Premiere," which was very successfully managed by Jim Kirk and Shirley De Haven.

Robbie Brown and Marcia Staude were elected chief counselors of the Men's and Women's Board of Control. Each board is composed of twenty-four members: seven high seniors, seven low seniors, five high juniors and five low juniors. Both boards helped to maintain order at student meetings and football games. These boards have the power to judge cases of misconduct and to administer a penalty of punishment if the student is found guilty.

WOMEN'S BOARD OF CONTROL

Row I—J. Swanson, D. Warren, J. Henderson, M. Staude, G. Thau, R. Swisher, J. Buhles, J. Turner.

Row IV—B. Henry, B. Sheriff, H. Rediess, D. Oswald.

RECALLING OUR FALL MEETINGS

A.S.A.H.S. OFFICERS . . . SPRING 1954

President
JIM KIRK

Vice-President
SUE TUTER

Efficiently working together, our spring 1954 Student Body Officers presided over many educational and interesting student meetings. Jim Kirk was highly rewarded for the fine job he had done as Recording Secretary by being chosen as president of the spring student body administration. The unpredictable, but very popular, Sue Tuter ruled over the Service Panel well and fulfilled the duties of her office of vice-president. Also rewarded for the excellent job accomplished during the fall term was Chuck Smith, who kept perfect and unique minutes during the spring semester. Financial Secretary Rich Canepa obtained 100 per cent student dues very quickly and did a wonderful job in getting student rates for our school. Thanks to the help of Yell Leader Dottie Hutson, our school spirit was held high throughout the spring term.

Row II—A. Furbush, D. Bell, M. Bartell, S. Biggart, C. Moody, S. Tuter, D. Hutson, Mr. Bell, D. Sagen.

During the spring term, the Student Faculty Committee did another excellent job in helping to obtain a wide variety of fine entertainment for our student body meetings. A novelty this spring was a faculty talent show which proved very enjoyable. We also had the always popular A.C.A.L.-O.A.L. Talent Show, and "The Wonder Hat," a play presented by Miss Los Kamp's fifth period class.

The semi-annual opening dance sponsored by the Ad Board this term, called "Surprise," proved a success under the management of Chuck Smith and Sue Tuter.

Although only a high junior, Leroy Valasquez was chosen to preside over the spring meetings and he did a commendable job.

The Men's and Women's Board of Control chose Jane Henderson and Bob Good to serve as chief counselors during the spring semester.

The boys wore the traditional yellow and white hats, but the girls brightened up their uniforms with very spring-like, pink checked ties.

As always these boards kept school activities running smoothly and the spring student body meetings orderly.

WOMEN'S BOARD OF CONTROL

Row I—J. Turner, S. Larron, J. Henderson, M. Flemming, S. Decker.

SENIOR MEMORIES

Our class began high school life under the able leadership of Chuck Smith. At this time, we began to think about having our first class activity. In April we had our first noon movie. Thus, we got off to a flying start.

As high freshmen we held a different and entertaining class meeting that was presided over by Jim Kirk.

By the time we were low sophomores we were well accustomed to high school life and decided that it was very nice. Gary Wood was our president that term.

A lot of us had been dreaming about our great Soph Hop. After considering many hop, skip, and jump titles, we chose "Hawaiian Holiday" for the theme, thus breaking a precedent of long standing. Through the hard efforts of manager Jim Kirk and co-manager Janet Turner, the dance was an overwhelming success. Chuck Smith, as in our low freshman year, was our hard-working president.

With the Soph Hop still in the back of everyone's mind we began to consider colors for our Junior Sweaters. Through the combined efforts of Dick Lear and Shirley Marie, navy blue was selected for the color. We had two very enjoyable meetings conducted by Roland Newton during this term.

As high juniors, we were confronted with the second great dance of our high school life, the Junior Prom. From the many romantic themes considered, "Moonlight and Roses" was chosen. Due to the many hours of hard work it was a splendid social event.

During our reign as low seniors the class put on the great Senior Play, "Follow the Dream," which was ably managed by Bob Good and Katreen Romanoff. It was considered to be one of the best plays in years by all. We also had two impressive class meetings.

As high seniors we were given a lift because we received our Senior Jackets and Sweaters on time. This event was brought about by the fine efforts of Jim Peters and Shirley Marie. Many of us participated in our Senior Sock Day. No one ever realized how unusual socks could look until that time. Our picnic was a great success. Our Senior Ball, like all of our other class activities, was supported and thoroughly enjoyed by everyone.

SENIOR MEMORIES

To help us start out our four years in high school successfully, we elected splendid class officers. As our first class activity we presented a noon movie which gave our financial status a boost. When we were High Freshmen, we came up with a new and different idea which was a class cupcake sale. It was very successful and since then the idea has become popular and has been used by several groups.

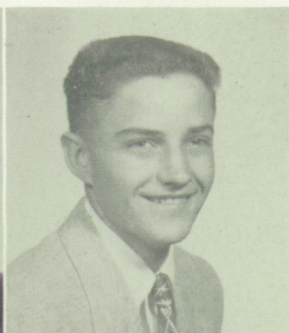

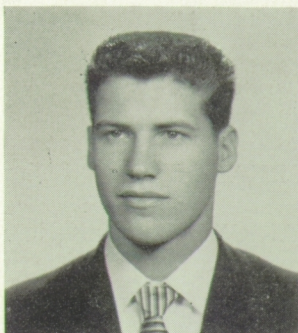

In our Low Sophomore term we again broke tradition. Instead of having a noon movie, we had a noon talent show. All the participants were in our class, giving evidence to the great abundance of talent. The next event was Fun Day. Our very successful concession was the selling of cupcakes. Our High Sophomore term brought forth the semi-annual Soph Hop. Again being original, we called it "Roaring Twenties." We broke records of long standing, both socially and financially.

As Juniors we had to begin thinking of choosing a color for our Junior Sweaters. We chose a bright shade of blue-green called "Carmel Heather." In the latter part of our Junior year our Junior Prom was given. Our theme, "Mogambo," brought the exotic colors and atmosphere of the jungle right into our A.H.S. gym.

Now that we are Seniors we have a great deal to look forward to in our last year in high school. Already we have given our great Senior Play, "The Admirable Crichton." Our Senior Jackets and Sweaters, the Senior Ball, our picnic and all the excitement of the banquets and teas are yet to come.

Under the leadership of John Muehlbauer, the class chose white as the color for their junior sweaters. The semester was completed with three splendid class meetings at which very interesting entertainment was given by the talented members of the class.

As High Juniors, they began to think of their Junior Prom. They chose "Stardust" as their theme, and had beautiful and fitting decorations. Marvin Newell and Joan Girdwood worked hard in their roles of manager and co-manager. They were capably assisted by the following chairmen: Margie Scholz, Bids; Kathy Smith, Refreshments; Peggy Lahmann, Decorations; Veronica Rueda, Reception; Leroy Valesquez, Music; Bud Payne, Skit; Nancy English, Publicity.

With their usual originality, the Sophomore class came up with a new and different idea for raising money for their treasury. At the Berkeley vs. Alameda football game in the fall, they sold programs to the football fans. This was very successful. At a class meeting there was plenty of very good talent for entertainment.

In their High Sophomore year, the traditional Soph Hop once more came into view. They created a fun-packed evening of refreshments and dancing called "Band Wagon." It was very capably managed by Dan Lubbock and Carol Kavanaugh, and was successful both financially and socially.

VARSITY FOOTBALL

The story of the Alameda High School Varsity football team of 1953 is indeed an unusual one. The Hornets, at the beginning of the season, were rated very low in the A.C.A.L. and the sports writers said that our team wouldn't give much competition this year.

Chuck Butler, our great new coach, arrived on the scene to take over a very green team with few returning lettermen. Coach Butler and his esteemed assistant coaches, Calder Hayes, Sam DeVito, and Bill Borg, were soon hard at work building a team of hard tackling and blocking players.

When the first game rolled around the coaches thought that the team was ready, but we lost a hard-fought game to Mt. Diablo. Coach Butler saw his team in action for the first time and he was proud of them, but that wasn't enough; he and his staff worked all the harder to overcome mistakes and develop a smooth functioning unit before the next game. The players responded nobly and began to sting their opponents with regularity. The Hornets rolled over every league team, except the Berkeley Yellowjackets, and ended an exceptionally fine season in a tie with Richmond for second place in the league.

Alameda has a right to be proud of their team because out of twenty-two boys picked for the All County Team, seven of them were from Alameda and five made Honorable Mention. The All County players were: A. Lane, end; J. Griffen, end; A. Happe, guard; J. Murdock, hb; D. Childs, fb; C. Bruce, center; L. Mason, hb. Men chosen for Honorable Mention were: I. Nikolai, end; D. Ross, tackle; R. Brown, qb; V. Owens, hb; Walker, hb.

We also had the honor of having two men picked as the "Prep of the Week." These much cherished awards went to Alan Happe and Dick Childs.

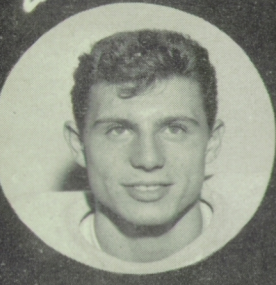

Although there were many outstanding stars on the Hornet squad, the whole team worked together as a well knit unit, and they brought spirit, fight, and pep into every game. Next year's Varsity should have a bright future because the majority of the 1953 team will be back for the 1954 season.

This year's edition of the "Junior Hornets" inherited a very fine coach from San Francisco State, Sam De Vito, who coached the Junior Varsity very ably through a rough season.

They won only two games and lost four, but all of the boys improved greatly as the season progressed. Looking back over the games played we find that even when the team was behind in scoring the players always had great spirit and at times they exhibited brilliant defensive play. They ended their season with a well earned victory over a very tough Richmond team. There are many fine players on this squad who should be of great help to the Varsity next year.

Row I—A. Gertmenian, R. Rita, D. Millett, J. Burress, L. Tanner, T. White, P. Clays.

This year's Frosh team was the first to win a game in six years. The team not only won one game, but two! Another game was forfeited to them. The games they lost were to Hayward and San Lorenzo, but they didn't lose by more than eight points. Glen Harradine, fullback, was the main running back. Dan Rueda was outstanding in the Piedmont game in which he scored three out of four touchdowns. Jim Burress was a hustling quarterback who gave the team a lot of pep and spirit.

VARSIITY BASKETBALL

"We've got a team that's on the beam," as one of Alameda High's favorite yells go, and the chant is certainly true of our Varsity Basketball team this year. The Hornets ranked second in the A.C.A.L. with a record of ten victories and only two defeats, losing both times to Richmond which was rated tops in northern California. They compiled a total seasonal record of twenty-four victories and, still, only two defeats.

Climaxing his three-year A.C.A.L. career with brilliant performances, the Hornet's famous Willie Davis set several records which will stand for years to come. He has a 12-game total of 348 points, a game average of 29 points, and a single game individual scoring record of 46 points. The Hornets also broke the single game team scoring record by totaling 99 points against Piedmont.

Willie was again named to the All A.C.A.L. Basketball Team for the third consecutive year. He was the only player from A.H.S. on the first squad, but Walt Sasser was picked on the second team and Arluther Lane received honorable mention.

Our varsity participated in the Acker Round-Robin Tournament for the second consecutive season. This year the tournament was held at Redding where Willie climaxed his high school basketball career by setting two more records—a single game score of 34 points, and a six-game tournament mark of 107 points. Alameda also became the first team in the eleven-year history of the invitational tournament to go undefeated and yet lose the tournament.

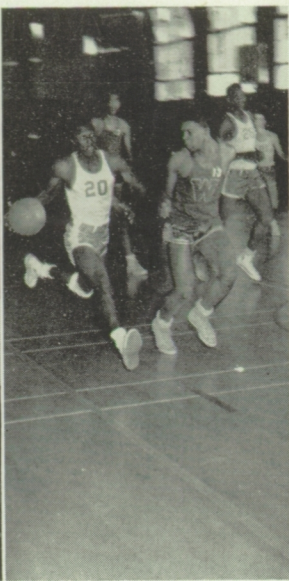

Our school is very proud of Coach Hank Jones and his terrific Hornets.

JUNIOR VARSITY BASKETBALL

Row II—D. Miles, M. Hunt, M. Prado.

Sam DeVito came directly from coaching J.V. Football to coach the Junior Varsity basketball team and he did a wonderful job. Although these junior Hornets placed fourth in the A.C.A.L. they gained valuable experience in skill and sportsmanship. The team compiled a record of ten wins and nine losses. Dick Bonino and Ed Harris were played on the second squad for the All A.C.A.L. junior varsity team. Coach Hank Jones added Del Lewis and Dick Bonino to the Varsity squad that went to Redding for the Acker Tournament.

VARSITY TRACK

At this writing the track season is not yet half over but Coach Lewis Jolley's forces have already proved that they are one of the best track teams in the state.

Heading the list of fine athletes on the team is James Jackson whose times of 9.7 seconds in the 100 and 22.0 seconds in the 220 yd. dash are the fastest high school times in Northern California. Other outstanding performers are: Joe Griffin, hurdles; Hosea Harper, quarter mile; Arluther Lane, field events; and Wes Hyde, broad jump. The 440 and 880 yard relay teams of Alameda established new records at the El Cerrito Relays.

B TRACK

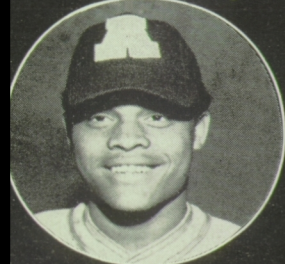

The "B" track team of Alameda High has not been too successful in winning meets this year, but Coach Butler has produced several fine stars who should make good varsity men next year. James Catlett proved himself to be the top A.C.A.L. sprinter in the B division. Robert Pugh, Ed Suman and John Muehlbauer have gathered many points for the team.

VARSITY BASEBALL

Coach Calder Hayes has a fairly green team, but he expects that it will come through this year in fine fashion due to a great deal of hustle and enthusiasm amongst the players. The ball club has only two lettermen from last year's Varsity, but every position is filled with a competent player. The team's hitting strength is centered around veteran slugger Joe Wilson. With a little more experience and power at the plate the club has a good chance to bring itself into recognition this year.

GOLF AND TENNIS

ALAMEDA'S GOLF TEAM

Alameda's Golf Team had a successful season this year with three of last year's regulars again on the team, and two new men who, although they had not been tried in competition, did quite well. The team played four tournaments with other schools in the A.C.A.L.: El Cerrito, at the Mira Vista Golf Course; Richmond, at the Richmond Golf Course; Piedmont, at the Claremont Golf Course; and Berkeley, at Tilden Golf Course. All the teams in the league met on the same day for these matches and at the same golf course, played their eighteen holes, and the top team won the match for that particular day.

Al Burtleson, Fred Tomlin, and Don Yeltman, the three veterans from last year's teams, are prominent in the A.C.A.L. Burtleson was one of last year's outstanding players and ranked as one of the top three golfers in the league. Coach Jolley reports that Harry Bithell and John Mann, the new men on the team, are up and coming golfers who should give a good account of themselves before long.

ALAMEDA'S TENNIS TEAM

Alameda's tennis fortunes have been somewhat on the downward trend for the past several years, but Coach Hank Jones indicates that this trend should reverse itself this year. The 1954 tennis team is making a determined bid to bring Alameda back up near the top in A.C.A.L. standings.

The first match was played against Hayward and Alameda won four matches to three. An aggressive Berkeley team next loomed over the net, but our team was unable to cope with the situation. However, a week later our racquet wielders came back strong to down Richmond six to one. Piedmont proved that they had a good tennis team, but Alameda still has three matches to play which should bring in at least two more victories.

The team ladder has Rod Miramont in the number one spot; Ron Elrod, two; Jack Bosch, three; Ray Waller, four; and Ken Kofman, five. Jerry and Peter Healy are the number one doubles team, while Bill Thomas and Harold Zecher are the number two team.

The Girls' Athletic Association is a source of great enjoyment for any sports-minded girl. It is a special privilege to belong to this organization because many other sports that can not be taken in regular classes are offered in sixth period P.E. Many of these sports are offered to the girls away from school, and special classes are given at school. The girls enjoy and appreciate the opportunity to participate in such a variety of sport offerings.

Each girl receives points for the sport she takes which apply toward winning a school award. 600 points will earn a Circle A, 900 points will win a Winged A, and 1200 points will earn the coveted Block A. These awards are given at the G.A.A. spread, the awaited semi-annual party.

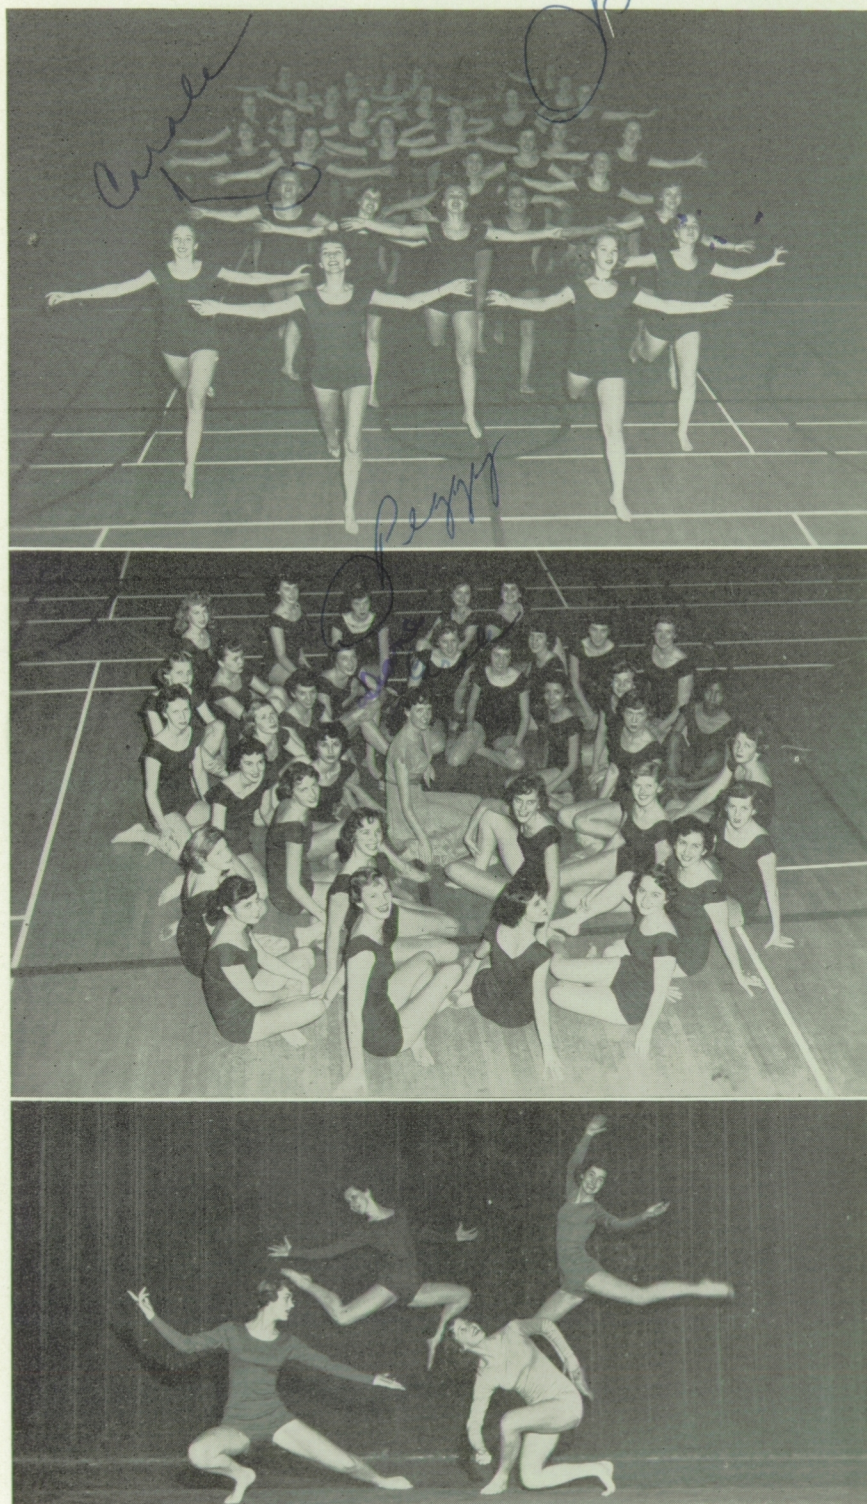

G.A.A. also has many other activities that the girls enjoy, such as the cookie and fudge sale, play days with other schools from the Bay Area, and regular business meetings. The G.A.A. also sponsors a very enjoyable student meeting each semester.

MODERN DANCE

The above scenes show dance classes working on routines in preparation for modern dance themes.

Modern Dance is a fairly new activity offered for Girls' P.E. It was introduced to Alameda High about five years ago. Each year it is becoming more popular, a fact shown by the eager participation in this course.

Mrs. Braun is the girls' talented instructress. She has helped them develop dance skills through which they have gained grace and poise.

The girls and Mrs. Braun have contributed a great deal of enjoyment and pleasure through their performances for our school's activities. You have watched them dance for the Freshman Receptions, G.A. Fashion Shows, and the Christmas Pageants. They have presented a complete student body program and an evening program. The girls have done so well that they have performed for outside organizations. They entertained the Eagles and the children at the Children's Hospital Benefit Show. On their program was "Worms and Woodpeckers" and "I Like Men." Later they presented "Pinnocchio" for the children.

Due to the enthusiasm shown for Modern Dance, a club was organized this year. It has already become active by sponsoring a Master Lesson. The girls felt privileged to attend because their teacher was Miss Betty Meredith Jones, from England, who is a recognized leader in the field of movement and dance.

TURNING THE

Summer is over, school is begun . . . but no one is ready to give up the fun! September fourteenth was the first day of school . . . everyone came, but not without drool(?) For the weather was warm, the beaches were empty . . . and school sounded dull, and I'm not much for poetry(!)

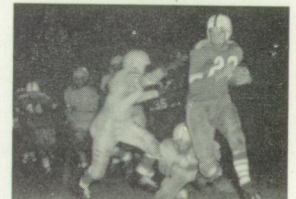

SEPTEMBER

- 14—First day of school dawns bright and clear.
- 18—Mt. Diablo, in a practice game, slipped by with a 13 to 6 victory over Alameda. (Oh well, last year it was 13 to 0).
- 25—Fremont was felled by a mighty team of Hornets, 27 to 7.
- 25—That night the Ad Board presented "Premiere," the opening dance of the semester. What a ball!

September is over, but there's still more to come. . . . October was busy from Reception through Prom.

OCTOBER

- 1—The Freshman Reception gave freshmen and seniors a chance to look one another over. (Wonder what they thought?)
- 2—Piedmont 0—Alameda 20! Need we say more?
- 9—This week it was San Lorenzo 7—Alameda 25! Those crazy mixed-up fellas!
- 16—Bellarmine tied Alameda 20 to 20 this year, and they worked hard for it.
- 16—"Mogambo," the Junior Prom, with all of its voodoo. Eeps! the place is still haunted with jungle gods.
- 20-23—"Of all sad words of tongue or pen, the saddest are, 'It might have been.' More sad are these, we daily see, 'It is, but hadn't ought to be.'" Yes, exam week came to Alameda High.
- 23—To show our good spirit, the football team went out and beat El Cerrito 16 to 7.
- 28—The girls of the G.A.A. sold pencils.
- 30—Once again the Hornets plowed the Farmers under with a 38-to-13 victory.
The best part of November is Thanksgiving I'm afraid. . . . So, hail to thee, November, I've planned an ice-box raid.

NOVEMBER

- 6—Berkeley 18—Alameda 12! Next year may be our good luck year.
- 6-7—"Follow the Dream" proved a couple of things. It proved that the seniors have some excellent talent and it proved to be a success.
- 14—Richmond and Alameda tied at 12 to 12.
- 14—So the Sophomores presented the Soph Hop, "Turnabout," to cheer us up.

- 23-29—By the time we had all gcured ourselves and waddled down Central Avenue, Thanksgiving was over.

We looked over December. . . . We looked all around, and its best because Sandy Klaus comes to town.

LEAVES OF FALL

DECEMBER

8-11—Exams in the second quarter. . . I usually find depressing. I thought I knew more. . . I didn't, of course . . . and those teachers kept me guessing.

9—The G.A.A. held their cookie sale.

11—Alameda and St. Joseph's had their annual game in the A.H.S. gym.

17—Christmas pageant was "Gift of the Magi" this year. Delightfully different.

17—Also delightfully different was the Hornet's first win in three years on El Cerrito's home field. The score, Alameda 65, El Cerrito 53.

21—Hot Dawg, here is Christmas vacation! Wonder if that boy ever got his hippopotamus?

New Year's Eve is fine. . . I like a new leaf. We all come back to school, and it's still the same old grief.

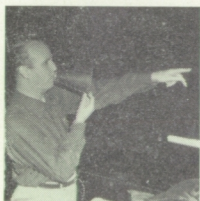

JANUARY

5—Yes, yes, they did it again. This time Hayward found its way to the short end of a 61-to-48 score.

8—It is almost becoming amusing. There just isn't any such thing as stopping them so far. The score: Alameda 99; Piedmont 48.

12—Ah, it was too good to last. After a long hard struggle the Oilers managed a 75-to-57 victory.

15—Chalking up the fourteenth win of the year, our Hornets defeated San Lorenzo by a score of 64 to 38.

29—Senior Ball held in the A.H.S. gym, "Sayonara." Exotic pagodas, lanterns, and complete oriental decorations lent mystic atmosphere to an unforgettable night.

Soon the semester will be over . . . and the new one will begin. All the seniors soon are leaving, and all the freshmen are coming in.

FEBRUARY

1-3—After a knock down drag 'em out fight with homework comes the final blow.

2—Our Hornets whipped El Cerrito with a 63-to-53 victory.

4—Graduation arrived after years of toil—a rolled up scroll, a treatment royal . . . and a fond farewell to familiar faces.

5—In the final game of the semester Alameda defeated Hayward 54 to 51. It was a little too close for comfort, perhaps.

That's All, Folks!

ACORN STAFF

Editor
DICK LEAR

The production of a yearbook is a stupendous job. Work begins late in the spring even before school closes for summer vacation. The new staff is chosen and confers with last year's staff to find out a little about the trials and tribulations of putting a yearbook together. Plans for the different sections, the theme and style of the book, and new features to be put into effect are discussed.

September rolls around soon enough and the real work on the book begins. First, dummy copies of the book, outlining the placement of pictures and the arrangement of sections and copy are made. While everyone is drawing up his section, the interruptions begin. Salesmen from the various companies come to speak to the staff. After choosing our companies, we can again get back to the real work—getting copy and engravings done accurately and in to meet deadlines.

While this work is going on in the editorial staff room, the members of the business staff are planning the advertisement section and the promotion and sales of the book. After consulting previous subscriber lists comes the task of seeing the people on the list, quoting to them the prices, sizes, and the type of ads.

The Senior Class Editor has one of the biggest staff jobs. He has to get complete lists of graduating classes, fall and spring, make arrangements with the photographer to take the senior pictures and send notices of all kinds to the Senior classes to obtain information.

The secretaries also have long and sometimes tedious days before the annual comes off the presses. It is their duty to type, and many times re-type the copy that goes into the book, an extensive operation since there is copy on every page of a school annual.

Work and problems seem to predominate when a staff writes about getting out the yearbook. Actually the staff never did a more pleasurable piece of homework. Goodfellowship, cooperation by all members, and, above all, pride in a job accomplished, are our rewards, besides, we had fun!

This year, the Oak Leaf Staff has worked to give you, the students, the best possible editions. We have learned many things in connection with Journalism, its "do's" and "don'ts," dummy-proofing, fitting the paper together, trying to meet the deadlines, and so forth, but most of all we have learned the idea of working together toward putting out each and every issue with a cheerful and competitive spirit.

The Oak Leaf was published once monthly and contained either four or six pages. The circulation of our paper covers the United States, Hawaii, and some places over seas.

The fall term was headed by Liane Froerer who proved to be very capable and energetic. During the spring term we have been trying something new and different. Instead of having only one editor, we have an editorial staff which consists of Dolores Brogan, Beatrice Seare, and Ray Waller. So far, this has been quite successful. Always ready to help and encourage us was our ever-needed faculty adviser, Miss Grace S. Powers. Without her, we are sure success would have been doubtful.

JUNIOR PROM — MOGAMBO

Mogambo found its way to the A.H.S. gym on the night of October 16th and created an atmosphere of excitement and exotic pageantry. The mystery of the jungle clung to the corners and exploded in the lap of a giant jungle god seated in the center of the dance floor. Special sound effects were provided by Larry Capelli.

SOPH HOP — TURNABOUT

November 13th found the committees for the Soph Hop "a-buzz" with excitement. That night they presented their version of the semi-annual affair in the very successful "Turnabout." The gals and their dates had a good time, we're sure, at this girl-ask-boy dance.

FOLLOW THE DREAM

"To Follow The Dream, And Again To Follow The Dream;" and on November 6th and 7th, the low senior class presented their interpretation of this delightful comedy. The "dreamlike" quality of the play was effectively expressed in the unusually ultra-modern set "suggestions."

In the play Joan has a difficult time deciding whether or not she is wise in choosing Spike. On her wedding day the story becomes a flash-back on the days when she first began high school after her arrival from South America. Complications arise from the start but by the last act Joan finds that her decision was a good one, and all live happily ever after.

THE GIFT OF THE MAGI

The entire student body was in a frenzy of excitement for weeks before the Christmas holidays. Not the least of them were Miss Los Kamp and her pageant cast. This year, along with the familiar Christmas scene, they presented "Gift of the Magi." This charming little story was a final note that made Christmas at Alameda High one to be long remembered.

Music hath many charms to sooth our troubled cares away. Our joy takes form in light comedy. In sadness we raise our voices with our hearts through the hymns sung in our churches for centuries past. When contentment and satisfaction close our day, we unite in harmony and blend our voices into songs of praise.

From the days of its crude beginning, music has always been man's greatest method of expression. From crashing dissonance to peaceful harmony, he pours his heart out to the world and his fellow men. A great man once said that when there is music, there is hope. Just as hope springs eternal in the human being, so does music swell from everything he touches. It is heard in our streets, in our houses, in our schools, and churches.

Music comes to us like so much light, when all else seems dark. A fragment of a song may drift into our memory to bring comfort. As long as we can hear music from within ourselves, our people will continue to grow mightier, greater, and stronger.

Whether it be musical comedy or lonesome ballad, whether it be song of triumph, or lament of defeat, this universal language will continue to grow through choral groups and bands and orchestras until it can be wielded like a sword and used to crush despair. Music is nectar of the Gods.

THE OPENING

FEBRUARY

After a short vacation, the Spring semester began. February eighth was the first day, and it seems as though the only thing that came up, aside from the ten zillion cards we filled out, was a holiday on the twelfth in celebration of Lincoln's birthday. What a crazy way to start a semester!

On the sixteenth we met Richmond in the A.H.S. gym. It was a sad day for the Hornets. The score: Richmond 83, Alameda 76.

The team went to San Lorenzo for a game on February nineteenth and the outlook was exceedingly better after that game. The score was 55 to 32 in favor of Alameda.

To greet the new students, the Ad Board presented "Surprise" that night in the high school gym. The semi-annual opening dance proved to be a grand success.

A circus theme was the basis for the Freshman Reception this semester. Girls of the G.A. held it on the nineteenth in our gym, and gave the seniors and freshmen a chance to know one another.

The last league game of the season, and also the last school event of the month was played with Berkeley, here. Alameda won, 80 to 54.

MARCH

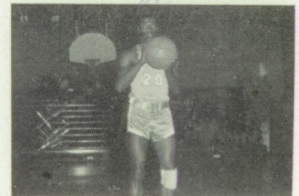

March roared in, per usual. On the fourth, the Student Talent was presented. There is obviously some pretty hot talent in old A.H.S.

A record-breaking cake sale was held by the G.A. on the tenth. Gazooks, goodies all over the place!

From the sixteenth to the nineteenth there was dead silence in the halls. It was, of course, exam week. It seems that you just don't know as much as you thought you knew.

High Juniors presented the semi-annual Junior Prom on the nineteenth. "Stardust" kind of relieved the tension from exams and was a big success.

The G.A.A. cookie sale was held on the twenty-sixth of the month, at noon. Except for the weather, I guess you might say that March went out like a lamb with a bag full of cookies.

APRIL

No foolin' nothing happened on the first of April that the Acorn staff heard about. But on the second and third, the whole school was jumping. Seems that the Low Seniors presented "The Admirable Crichton" in the high school auditorium. It was an excellent play with an exceptionally good cast.

THEMES OF SPRING

That glorious time of year, Easter vacation time, came on the twelfth and lasted until the nineteenth.

Wednesday, during advisory on the twenty-first, the G.A. presented the fashion show. The entire student body was invited. Hmmm, how interesting!

The (now wait a minute, I'll get it out!) A.C.A.L.-O.A.L. Talent Show was held in the auditorium during the student meeting. It gets better all the time.

MAY

Of course Exam Week is fine in its way, but the disappointment lasts with me for days, so I really think that there are more gentle ways to start a month. Nonetheless, not having the deciding of it, we struggled through them from the fourth on to the seventh of May.

Senior Opportunity Day dawned bright and clear on the eleventh of the month. Nearly the entire day was devoted to different meetings with people of various professions who came to talk to our seniors.

Next day, the twelfth, the R.O.T.C. had its cake sale at noon. You know, some of those boys really turn out some pretty good cakes!

The Soph Hop, "Bandwagon," was held on the fourteenth. Those things are always so much fun. Of course it gives the gals a chance to ask Mr. Extraspecial to go.

Picnic—Low Senior style—was the order of the day on the twenty-first of the month. We hear tell that they really had a good time.

Being such a large class to begin with, the High Seniors no doubt had barrels of fun on their picnic, which was held on the twenty-eighth. It is one of the last times the seniors are together, and we'll bet they made the most of it!

JUNE

June "snuck" up on us when no one was looking. The weather has been warm and the idea of going for a swim has lots of appeal. Fun Day couldn't have come at a better time. We haven't had one of these events for two years.

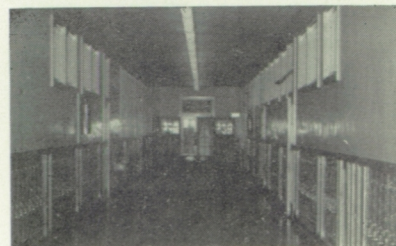

Then came, and with it years, the Senior Meeting. Isn't it disheartening when you realize that the Seniors won't be around next semester? I don't know who takes it worse, the ones left behind or the ones leaving.

The Senior Ball, magnificent in splendor, was held on the eleventh. What a fabulous way to leave school!

The rest of us met exams on the fourteenth, fifteenth, and sixteenth, with a sad heart. Most of us were feeling pretty sorry for ourselves about then.

With a note of finality, the Seniors accepted their diplomas on the seventeenth. With a piece of paper, they are armed to face the future.

The Acorn Staff of 1954 takes the opportunity to wish them every success as they cross their individual thresholds into tomorrow.

OUR SCHOOL REPRESENTATIVES

SENIOR OPPORTUNITY DAY CHAIRMEN

Left to right—S. Chapin, H. Rediess, Co-Chairmen; M. Fleming, Co-Chairman, J. Day, M. Macktrain.

SENIOR OPPORTUNITY DAY

Once a year, Senior Opportunity Day comes to Alameda High. People of various professions and fields of work speak to groups of seniors on the subject of jobs and careers, job qualifications, and opportunities that the graduates would have in a particular field of work. Representatives from various colleges speak on their respective university programs and qualifications necessary for enrollment.

Opportunity Day is open to both low and high seniors, and is one of the most valuable events offered to a graduating student. Herman Rediess and Margie Fleming were co-chairmen of this event and they worked very hard to make it a success.

YOUTH CITY WEEK

Once again Alameda, Notre Dame and St. Joseph's participated in Youth City. Sponsored by the Optimist Club, every year various city officials are elected from these three schools to govern our city for a week. The club sponsors Youth Week, and also gives the student officials a luncheon, dinner, and conducts them on tours of the N.A.S. and different departments of the City Government.

The five students elected to office from Alameda were Cappy Lyons as City Manager, Sandy Smith as City Clerk, Deborah Dowsett as Fire Chief, Sue Jacobs as a councilwoman, and Ginger Waterlow as a Councilwoman.

GIRLS AND BOYS' STATE

Once again, the American Legion Auxiliary sponsored one of our girls and sent her to Girls State at Sacramento. This year Bev Liebhart was selected. There she took part in city, county, and state elections; made a tour of our state capitol; and was herself elected to the job of county superintendent of schools.

Five of our outstanding boys were selected to participate in Boys' State again this year. It was their opportunity to learn how city, county, and state governments function, and they learned by personal experience. The boys not only observed and learned, but campaigned for offices themselves with signs, parades, and bands.

SPRING JUNIOR PROM — STARDUST

Stardust sprinkled all around, a lovely night, and you are there. The magic of a Junior Prom cannot be found anywhere else. If it is your first, it is the most wonderful thing in the world. If it isn't, it is just so much more wonderful than your last, so much less than your next.

On March 19, 1954, the class of June, 1955, presented Stardust in the A.H.S. gym. Their dance was a success, but it was even more, it was a Junior Prom. Herb Faulkner made it one of those never-to-be-forgotten nights with some of the finest music "this side of the stars."

SPRING SPOH HOP — BANDWAGON

The semi-annual Soph Hop was held on May 4 in the high school gym. "Bandwagon" was the name selected for it, and the general theme was carried into the bids in a most original fashion. Miniature bandwagons even down to the wheels contained the bids.

THE ADMIRABLE CRICHTON

The senior thespians of the class of February, 1955, gave forth on the nights of April 2nd and 3rd with a J. M. Barrie production, "The Admirable Crichton," which was a very different type of play. It seems that Crichton, the butler, becomes "Gov," the lord and master when the wealthy English family that employs him becomes marooned on a deserted island after a shipwreck.

The sets were of unusual and outstanding design, long to be remembered in the annals of high school production.

"The Admirable Crichton" was directed by Mr. Lloyd Sisler with Mr. Hanson directing orchestration and Miss Reichmuth supervising set design.

COURTESY BOARD

The Courtesy Board is a brand new organization at Alameda High School and one of which we can certainly be proud. The purpose of this organization is "to extend a courteous welcome to all those who come to A.H.S. and to attempt to foster amongst the students a feeling of friendliness and courtesy." The duties of the Courtesy Club, which were successfully carried out in their first year of existence, are: to aid the incoming freshmen and new students, welcome visitors to all student meetings and to the school. In addition to this, the members provided our students with attractive and efficient book covers during the past year.

A Courtesy Board member can always be seen wearing her white blouse and tie behind the desk in the lobby. She adds a friendly and courteous appearance to our school that leaves a definite impression upon all visitors. All these girls are selected for their scholarship, citizenship, and ability to follow the Board's slogan, "Courtesy is to do and say the kindest things in the kindest way."

The Girls' Association of Alameda High School is one of the friendliest, most active, most colorful, and most successful organizations we have. This can be only because the girls of Alameda High are willing to work together with their elected officers and capable adviser, Mrs. Helen Hoeksema, to produce this organization which has the purpose of promoting common interests among the girls of the school.

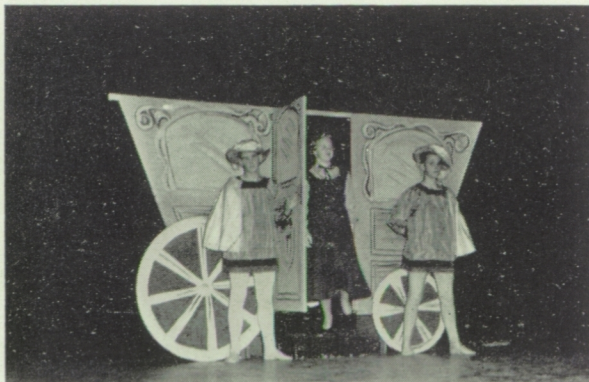

The officers of the fall and spring terms have worked hard to carry out their respective themes: "Miss G. A. Takes Us Through High School," and "Pearls of Friendship." Both of these terms produced activities which were enjoyed by everyone such as the Freshman Receptions, the annual cake sales, and the fashion shows. The fall term was ended with a Christmas party which was given for a special class at Porter School, while the spring term was begun with the officers wearing colorful plaid ties of pink.

We are proud to have a wonderful organization such as this. The Girls' Association will long be remembered by every girl who graduates from our high school.

The California Scholarship Federation of Alameda High School has the motto "Scholarship for Service," and the spring and fall officers under the direction of Mr. Roeder S. Stinson worked exceptionally hard to follow this motto. In the fall semester the club sponsored a student meeting, while in the spring it represented Alameda High at the C.S.F. convention at Campbell. After the opening ceremonies, the interesting classes, and a good lunch, most of the students went swimming in Campbell's beautiful outdoor pool. These C.S.F. members brought back to A.H.S. a good tan as well as some learning. At the end

A record number of students receive C.S.F. Life Membership awards during assembly.

of each semester the traditional Senior Party was held in the apartment where the members tried valiantly to teach Mr. Stinson how to play Rhythm.

In the fall semester the C.S.F. life members were presented with their pins, as usual, at the Student Body Meeting, but for the spring semester the club was exceptionally proud to present one of the largest number of members with this cherished pin. Because of this large number the pins were given out during a long advisory period where all the members of the club were seated on the stage. Congratulations are in order for the club and its life members.

Any student of A.H.S. who attains a B average in school work is eligible to become one of the many proud members of the Star and Key Honor Society. Those members who are able to join the club for three consecutive, or four non-consecutive terms become life members of this wonderful group which has been at A.H.S. since 1912. The club has meetings at least once a month where refreshments are always served. In the fall semester the club gave a Halloween party in the Little Theatre; and it also presented an enjoyable Christmas Party. Besides doing all this the Star and Key contributed to the Tri-Iota project and held its usual spring activities.

This club under the guidance of Mrs. Courtney Smith sets a goal for students while in A.H.S. It serves as a reward to those who have made the Honor Roll.

The Junior Red Cross is an organization where service to others is the members' goal. The students of this group try particularly to serve young needy people and servicemen in hospitals. This year, as well as in the past, A.H.S. can be proud of this group for they did a wonderful job. They obtained an outstanding enrollment of students in the J.R.C., wrapped Christmas packages for servicemen, made tray-favors for hospitalized veterans, and sent gift school chests to young people in disaster and needy areas. All this was under the guidance of Miss Ennis, their new and very capable adviser.

Tri-Iota stands for "Three I's"—International, Interracial, and Intercultural. This is their purpose, to promote international, interracial, and intercultural understanding among students. In accordance with this purpose the club sponsored a Polish girl, who is studying medicine in England, and helped a family in Roard, Kentucky. All this could not have been accomplished had it not been for the hard-working and capable officers of the fall and spring terms as well as the adviser, Mr. James Hull.

The Chemistry Club, during the past year, has succeeded in carrying out its purpose to prove that "Chemistry is Fun," and in that way create a wider interest in it. This club is open to all students or former students of Chemistry, and, under the leadership of Mr. Darrell Coughlan, provides all members with educational and interesting monthly meetings. At these meetings the members themselves put on demonstrations such as the silvering of glass, the Bunsen Spectroscope, and the etching of glass with Hydrofluoric Acid. A Christmas Party was held in the fall semester, and the spring semester was made to include a swimming party at Hayward Plunge. Altogether this year was a good one for the Chemistry Club members.

The Latin Club is an organization for all students who take or have taken Latin. Its meetings are held once a month under the direction of Mrs. LeNore Marker and always provide the members with enjoyable entertainment and refreshments. These meetings offer a chance for Latin students to meet informally out of the classroom. Among the various activities which the club sponsored was their annual cake sale which was a financial success to the club as well as a welcome treat to A.H.S. students. Students of Latin are proud of their organization and its record; we of Alameda High School know that they have a right to be.

The Women's Block A society consists of the Alameda High School girls who have an outstanding ability and interest in sports. This year, as always, they helped to promote this interest in sports by selling colorful pompoms and decals. After attending a tea in their honor, the fall members gave a progressive dinner for the incoming members in the spring. This, as well as the many other activities, was under the guidance of Mrs. Freda Kympton, faculty adviser.

The Men's Block "A" Society of Alameda High School is an organization which promotes sportsmanship and interest in athletics. It is open to those who have earned a varsity block "A" and who wish to meet other athletes of different sports. Under the guidance of Mr. Calder Hayes the club presented noon movies which were well attended and very profitable. The Block "A" members also give our school a more patriotic feeling by wearing their white sweaters with the gold block and stripes, and they keep the shoes of our students shined by their new members each semester.

The Forensic Society is a new organization established to create a wider interest in public speaking among A.H.S. students, and is organized under the able guidance of Mrs. Ruth Cecchetti. Its constitution was drawn up during the fall semester, and a good and enthusiastic membership assured its immediate popularity. An interested audience attended the meetings and participated in the discussions. They were entertained by speeches and readings given by various society members. Throughout the year, club members participated in many contests in which they gave outstanding performances.

Clubs of this type exist in almost every high school in the Bay Area, and our school can be proud to have one of its own. We can be sure that it will bring more glory and honor to Alameda High School.

Photography is a popular hobby, and A.H.S. students show this by their interest in the Photography Club and its projects. The members as well as their adviser, Mr. N. Pruitt, attend interesting meetings where they learn about slides, developing, and other branches of the photographic field. The club also takes excursions during the year to places of special interest to its members. We can be sure that as long as there are students in Alameda High, there will be a Photography Club and members to attend its meetings and do what they can to promote photography as a popular hobby.

The Delthenian Club had a very active year. They held two open dances, one in the spring and fall respectively, besides their annual Closed Dance in January. "Pennies From Heaven" was the name of the fall dance, while "Spring Is Sprung" was their spring theme.

The Diana's presented two dances in the fall: "Swing Your Partner," and "Date With the Devil"; "The Reef" was held this spring. During the spring semester, also, the club made a large contribution to the Alameda Cancer Society.

THE R.O.T.C. YEAR IN REVIEW

The Alameda High School R.O.T.C. meets during zero period five days a week. Classes are held in various classrooms of the language building and in the gymnasium. The classes are conducted by the regular army personnel, assisted by student members of small unit tactics, first aid, weapons, map reading, and military organization. Visual-aid the unit who have completed three years of instruction. The courses taught include: materials such as motion pictures, photographs, maps, and illustrations are used advantageously.

Instruction for parades and for drill is given and is practiced in both the girls' and boys' gymnasium yards. The army personnel assists the cadet officers in formation and in drill work. Weekly parades are held in the Porter School yard.

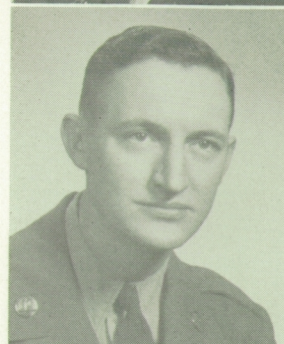

In addition to training in military leadership and in citizenship, the R.O.T.C. schedules other events for the year. At least one street parade, the Federal Inspection, and the Annual Competition held at Lincoln Park are scheduled. The Federal Inspection takes place in the spring of the year, when several military officials are sent to inspect the unit and equipment. The Competition brings out the precision platoon and company marching, and inter-company manual-of-arms drill. Numerous medals and awards are given to the honor students in the various levels of instruction and leadership.

This year's extra-curricular activities were varied and numerous. The Sword and Shield Club had several dinners and social events, as did the Non-Com's Club. The cake sale, under the supervision of the sponsors, was a success, as was the Military Ball, "Roman Fantasy." Bob Perata and Lianne Froerer were manager and co-manager of this most dazzling event.

The "Sweethearts" of the R.O.T.C., the sponsors, practice together regularly to perfect their snappy maneuvers. The sponsors are chosen on the basis of their interest, grades, and appearance. The members of the staff assist them by demonstrating marching techniques from time to time.

This year, as in many of the past years, the R.O.T.C. rifle team brought many honors to Alameda High School. The full team consisting of ten men fired well in the Sixth Army, Hearst, and National R.O.T.C. matches.

The members of the color guard are picked from the three companies, and are chosen because of their ability to drill and their general deportment.

Besides getting military drill from the cadet officers of the band, the bandsmen receive musical direction from Mr. Carlton E. Hanson. The R.O.T.C. band is especially indebted to him for his help and interest. The band drills and plays regularly for the parades and for the rest of the special events in which the unit engages.

In Memoriam

DR. WILLIAM G. PADEN

Past Superintendent of Schools

1883 - 1954

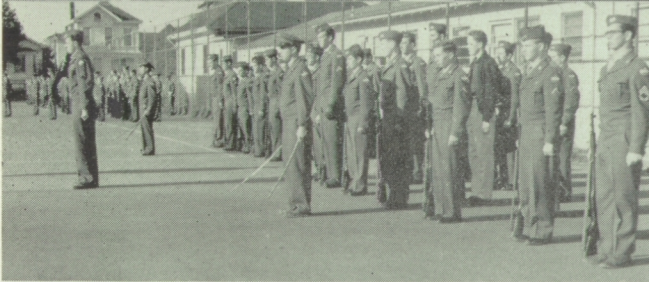

Dr. Paden, our superintendent of schools from 1925 to 1952, will be missed by students, faculty and townspeople. Noted for his administrative ability, interest in California History, and civic affairs, Dr. Paden will probably be remembered most vividly for his great enthusiasm and talent for story telling. Through him, the past came alive to his listeners. His memory will live long in the hearts of those who knew him.
